Subject: Introduction

This is an excerpt Only (7 of 428 Pp)
for the complete book, check [this link](#)

Dear Reader,

Welcome to my “Inbox”! The jokes, humor, funny stories, pithy sayings, and inspirational messages contained within are a result of a vast network of family, friends, acquaintances, and associates who are my email contributors and send me my daily dose of “Joke Mail”. For some odd reason, I have become a clearing house for a large group of email jokesters in what I classify as “general audience”, “mature family”, and “adult only” genres.

My email contributor lists are large and coveted (I've had friends tell me they want me to bequeath them in the unfortunate circumstance of my death) and more than once when I've deleted someone from an email group they have come groveling for reinstatement. Most of the contributions in this compilation fall into the “PG” rating category. It can be assumed “fairly safe” to leave this multimedia ebook laying around for most family members to enjoy.

All of the emails were collected during a twelve-month period and I have se-

lected what I consider the cream of the bunch. The compilations are not organized alphabetically, chronologically, or into any other categories. They are as random as the mail that hits my “Inbox” on a daily basis. Inside these pages you will find just about every kind of humor known to man, however graphic pornography is not contained. The only editing of the material was grammatical, and the softening of some curse words; my purpose was simply to pass on the humor, not temper it. The compilations are not intended to (or claimed to) be religiously, politically, morally, or in any other ways “correct”. They simply reflect the vast flavors of humor and opinion zooming around out there in cyber space. If any of the content offends you in any way, please feel free *not* to read on. Honestly, it won’t offend me.

Note: Nearly every email contribution was sent to me without credit as to authorship; however those that were have been credited. Some of the emails contain information about individuals, groups, companies, or products. None of the information has been verified nor has there been an attempt to verify. ALL of the compilations contained in this volume are meant strictly for the purposes of entertainment ONLY. Please do not mistake them for anything other than their intended value. Have Fun!

David Ludwick

Subject: \$50 is \$50

Morris and his wife Esther went to the state fair every year and every year Morris would say, "Esther, I'd like to ride in that airplane." Esther always replied, "I know Morris, but that airplane ride costs 50 dollars, and 50 dollars is 50 dollars." One year Morris and Esther went to the fair and Morris said, "Esther, I'm 85 years old. If I don't ride that airplane I might never get another chance." Esther replied, "Morris, that airplane ride costs 50 dollars, and 50 dollars is 50 dollars." The pilot overheard them and said, "Folks, I'll make you a deal. I'll take you both up for a ride. If you can stay quiet for the entire ride and not say one word, I won't charge you; but if you say one word it's 50 dollars." Morris and Esther agreed and up they went. The pilot did all kinds of twists and turns, rolls and dives, but not a word was heard. He did all his tricks over again, but still not a word. When they landed, the pilot turned to Morris and said, "By golly, I did everything I could think of to get you to yell out, but you didn't." Morris replied, "Well, I was gonna say something when Esther fell out, but 50 dollars is 50 dollars."

Subject: Say It Again

An 86-year-old man walked into a crowded doctor's office waiting room. As he approached the desk, the receptionist said, "Yes sir, what are you seeing the doctor for today?" "There's something wrong with my penis," he replied. The receptionist became irritated and said, "You shouldn't come into a crowded doctor's office and say things like that. "Why not? You asked me what was wrong and I told you," he said. The receptionist replied, "You've obviously caused some embarrassment in this room full of people. You should have said there is something wrong with your ear or something and then discussed the problem further with the doctor in private." The man replied, "You shouldn't ask people things in a room full of others, if the answer could embarrass anyone." The man walked out, waited several minutes and then re-entered. The receptionist smiled smugly and asked, "Yes?" "There's something wrong with my ear," he stated. The receptionist nodded approvingly and smiled, knowing he had taken her advice. "And what is wrong with your ear, sir?"

"I can't urinate out of it," the man replied. The waiting room erupted in laughter.

Subject: Instructions For Cleaning Your Toilet

1. Put both lids of the toilet up and add 1/8 cup of pet shampoo to the water in the bowl.
2. Pick up the cat and soothe him while you carry him towards the bathroom.
3. In one smooth movement, put the cat in the toilet and close both lids. You may need to stand on the lid.
4. The cat will self agitate and make ample suds. Never mind the noises that come from the toilet, the cat is actually enjoying this.
5. Flush the toilet three or four times. This provides a “power-wash” and rinse”.
6. Have someone open the front door of your home. Be sure that there are no people between the bathroom and the front door.
7. Stand behind the toilet as far as you can, and quickly lift both lids.
8. The cat will rocket out of the toilet, streak through the bathroom, and run outside where he will dry himself off.
9. Both the commode and the cat will be sparkling clean.

Sincerely, The Dog
